Leeds, UK | +44 7783 330165 | nkmpofu93@gmail.com | linkedin.com/in/nkosilathi-mpofu-25339b60

Visa: Eligible for the UK Graduate Route visa on completion of MSc (September 2026); open to skilled worker sponsorship.

PROFESSIONAL SUMMARY

A commercially driven postgraduate at the University of Leeds, completing an MSc in Global Strategy and Innovation Management (predicted Merit) in September 2026, with over seven years of client relationship management and business development experience across financial services and telecoms. Skilled at managing corporate and SME client portfolios, translating commercial data into actionable insight, and preparing research, reports and presentations for senior stakeholders. Combines an MBA in Strategic Management with strong analytical ability, an entrepreneurial mindset and a proven record of teamwork, most recently leading a student team to first place in a national sustainability business competition. Motivated to build a career in UK corporate banking, developing the relationship and technical expertise to support clients through everyday banking and complex transactions.

EDUCATION

MSc Global Strategy and Innovation Management *Sept 2025 - Sept 2026*

National University of Science and Technology (NUST), Zimbabwe **2:1**

PROFESSIONAL EXPERIENCE

Regional Account Executive | EcoCash (Cassava Smartech), Bulawayo, Zimbabwe *Mar 2020 - Sept 2025*

- Managed a portfolio of 65+ corporate and SME client accounts across a defined territory, acting as the primary relationship contact and supporting clients with their day-to-day mobile money, e-payment and digital financial services needs.
- Drove revenue growth and market share expansion through consultative relationship management, identifying client needs and matching them to the right digital financial products and services.
- Prepared performance reports, spend analyses and data-driven dashboards for senior leadership, translating commercial data into insight that informed strategic decision-making.
- Collaborated with cross-functional teams to structure solutions and resolve complex client issues, applying analytical judgement to diagnose root causes and escalating appropriately.
- Sustained strong client retention across a diverse portfolio by building trusted, long-term relationships and adapting communication for audiences from frontline users to executive stakeholders.

Project Manager (Internship) | 180 Degrees Consulting, Leeds, UK *Feb 2026 - May 2026*

- Delivered a live client consultancy project end to end, gathering user insights, synthesising feedback and communicating findings to senior stakeholders in a structured, professional manner.
- Executed research to support strategic decision-making and prepared written analyses, progress updates and recommendation reports for senior audiences.
- Coordinated delivery across the team, tracking milestones and resolving complex issues in a continuously changing environment.

Sales Consultant | Econet Wireless, Bulawayo, Zimbabwe *Mar 2017 - Feb 2020*

- Advised customers on products and services in a target-driven commercial environment, translating individual needs into tailored solutions.
- Conducted structured customer insight research, synthesising findings into written reports that informed regional planning and promotional strategy.
- Coordinated with internal teams to deliver campaigns and maintain accurate records of commercial activity and outcomes.

Customer Services Representative | Econet Wireless, Harare, Zimbabwe *Oct 2016 - Feb 2017*

- Handled 240+ daily client interactions across phone and in-person channels, taking ownership of each enquiry through to resolution.
- Maintained 90%+ product knowledge accuracy across multiple service lines, resolving complex and sensitive cases with careful judgement.

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Team Leader, Re-Source Consulting | Morrisons Sustainability Competition, LUBS *2026*

- Led a student team to first place from 33 competing teams. Developed the business case and pitch narrative and presented the winning proposal to a panel of industry and academic judges.

Strategic Consultant (Live Industry Project) | Northern Opera, University of Leeds *2025 - 2026*

- Produced scenario planning and digital strategy recommendations for a professional opera company developing a new cultural hub, and presented findings directly to its leadership.
